**MEMORANDUM**

TO: All Employees & Non-Medicare Retirees Eligible for Health Care Benefits

FROM: Koven Roundtree, Chief of Human Resources *KR*

SUBJECT: Benefits Open Enrollment for January 1, 2023 – December 31, 2023

---

Welcome to Anne Arundel County's Public Library Open Enrollment. Open Enrollment is your annual opportunity to review and make changes to your insurance benefit plans, your insurance coverage level, and/or your enrolled dependents. The Open Enrollment period is October 1 – October 31, 2022.

If you are an active employee and not making any changes to your health benefits coverage, there is nothing you need to do. We will continue your current benefits (except for the Flexible Spending Account) through December 31, 2023. Employees who wish to enroll/continue in the Flexible Spending Account (FSA) or make changes to their benefits 2023, must complete the online enrollment in ADP.

No action is needed for retirees unless they wish to make changes to benefits. For changes to retiree benefits, a Benefit Enrollment Form must be submitted.

**What's New for 2023?**

**Rate Changes**

Premiums are increasing by approximately 6% for both Aetna medical plans. The total cost for the Dental HMO plan is increasing slightly while the Dental PPO and Buy-Up plans along with the EyeMed plan are decreasing slightly. New premiums will be reflected in the January 6, 2023, pay. The cost share for all plans will remain the same for 2023.

**Flexible Spending Accounts**

The maximum contribution for FSA Health is \$2850; the maximum contribution for FSA Dependent Care is \$5,000.

**Life Insurance**

There are no changes to the age-band costing model. Please be aware that your premium may increase effective January 1, 2023, depending on your age. If you elect Dependent Spouse Coverage, your premium may increase effective January 1, 2023, depending on your spouse's age.

Life insurance rates and the age-band chart can be found in this guide.

**Benefit Fairs**

An Open Enrollment Benefit Fair will be held on October 11, 2022, 11:00 am – 2:00 pm at the Busch Annapolis Library.

You can view your current health benefit enrollments by logging into your ADP account. If you would like to make a change to your coverage, please complete the online enrollment in ADP. These elections must be made before the Open Enrollment deadline on October 31, 2022.

The elections you make during this group enrollment will remain in effect until December 31, 2023.

All required supporting documentation for changes that you make (i.e. birth certificates, adoption paperwork, marriage certificate, etc.) must be received by the Human Resources office by October 31, 2022.

Once Open Enrollment ends, benefit changes are only permitted within 31 days of a qualifying event. Qualifying events are outlined under "Instructions for Benefit Enrollments and Mid-Year Changes" in this guide.

Please call Human Resources with any questions (410-222-7107) – we'll be glad to help!

## COBRA

The Consolidated Omnibus Budget and Reconciliation Act (COBRA) requires employers with 20 or more employees that provide group health plan coverage to offer continuation of coverage. The employer must offer the continuation of coverage to qualified beneficiaries (QB) who have lost coverage as a result of certain qualifying events. This includes regulatory requirements to provide notices with mandated content and specific timeframes.

### General Notice/Initial Notice Requirements

The general notice describes general COBRA rights and employee obligations. This notice must be provided to each covered employee and each covered spouse of an employee who becomes covered under the plan. The notice must be provided within the first 90 days of coverage under the group health plan. The general notice will be sent to all new hires or employees who become eligible for benefits from Human Resources.

If you terminate employment or experience a qualifying event where a dependent is impacted, you will also receive an election notice. The Election Notice describes the rights to continuation coverage and explains how to make an election. We have a total of 44 days in which to issue a COBRA election notice.

Questions regarding COBRA can be answered here: [https:// www.cms.gov/CCIIO/Programs-and-Initiatives/Other-Insurance-Protections/cobra\\_qna.html](https://www.cms.gov/CCIIO/Programs-and-Initiatives/Other-Insurance-Protections/cobra_qna.html)

## Information on Retiree Rates for Vested Term participants, who retire on or after July 1, 2014

A vested term participant is a former employee who is eligible for a future retirement benefit. The information on this page applies to vested term participants only.

Bill 85-13 was passed by the County Council on January 6, 2014 and signed into law by the County Executive on January 15, 2014. The legislation applies to AACPL employees and provides, in part, that a former employee who was hired before January 1, 2014 and is eligible for a future retirement benefit may be eligible for employer subsidized retiree medical insurance. For those former vested employees who were hired before January 1, 2014 and who retired on or after July 1, 2014, the employer subsidy is tied to the former employee's years of credited service in the pension plan. The table below illustrates the years of credited service and the applicable percentage of the employer subsidy. No employer subsidy for vested term participants hired after January 1, 2014. You must retire directly from the Library.

At least 5 years but less than 10 years	30%
<b>At least 10 years but less than 15 years</b>	40%
At least 15 years but less than 20 years	50%
At least 20 years but less than 25 years	70%
At least 25 years but less than 30 years	75%

# RETIREE *Rate Schedule*

Effective – 1/1/23 to 12/31/23

At retiree cost share of 20% for medical; 100% for dental; 100% for vision.

This rate sheet reflects an employer retiree subsidy of 80%. For retirees who were not eligible for an early or normal retirement as of January 1, 2017, in accordance with Section 6-1-308(i) of the County Code, the employer subsidy rates vary and are based on years of service at the time of retirement. Please contact Human Resources for specific subsidy rate information.

**Retirees and spouses must enroll in Medicare at age 65 (or when you first become eligible) to avoid Medicare's late-enrollment penalties and to receive the maximum coverage available.**

## PLAN DESIGN & BENEFITS ADMINISTERED BY AETNA HEALTH INSURANCE COMPANY - SELF-FUNDED

Health benefits and health insurance plans contain exclusions and limitations. Not all health services are covered.

Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

The following is a list of services and supplies that are *generally* not covered. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

- All medical and hospital services not specifically covered in, or which are limited or excluded by your plan documents.
- Cosmetic surgery, including breast reduction.
- Custodial care.
- Dental care and dental X-rays.
- Donor egg retrieval
- Experimental and investigational procedures, except for coverage for medically necessary routine patient care costs for members participating in a cancer clinical trial.
- Home births
- Immunizations for travel or work, except where medically necessary or indicated.
- Implantable drugs and certain injectable drugs including injectable infertility drugs.
- Infertility services, including artificial insemination and advanced reproductive technologies such as IVF, ZIFT, GIFT, ICSI and other related services, unless specifically listed as covered in your plan documents.
- Long-term rehabilitation therapy.
- Non-medically necessary services or supplies.
- Outpatient prescription drugs (except for treatment of diabetes), unless covered by a prescription plan rider and over-the-counter medications (except as provided in a hospital) and supplies.
- Radial keratotomy or related procedures.
- Reversal of sterilization.
- Services for the treatment of sexual dysfunction/enhancement, including therapy, supplies or counseling or prescription drugs.
- Special duty nursing.
- Surgical removal of impacted teeth
- Therapy or rehabilitation other than those listed as covered.
- Weight control services including medical treatments, weight control/loss programs, dietary regimens and supplements, appetite suppressants and other medications; food or food supplements, exercise programs, exercise or other equipment; and other services and supplies that are primarily intended to control weight or treat obesity, including Morbid Obesity, or for the purpose of weight reduction, regardless of the existence of comorbid conditions.

In case of emergency, call 911 or your local emergency hotline, or go directly to an emergency care facility.

PLAN FEATURES	IN-NETWORK	OUT-OF-NETWORK
<b>Benefit Limitations</b> - For any service or supply that is subject to a maximum visit, day, or dollar limitation on a per year basis, the benefit year begins on January 1st unless otherwise mandated.		
<b>Deductible</b> (per calendar year)	\$125 Individual \$250 Family	\$500 Individual \$1,000 Family
All covered expenses, accumulate toward the in-network and out-of-network Deductible. Unless otherwise indicated, the deductible must be met prior to benefits being payable. Member cost sharing for certain services, as indicated in the plan, are excluded from charges to meet the Deductible. Pharmacy expenses do not apply towards the Deductible. Pharmacy benefits are offered through CVS Caremark. The family Deductible is a cumulative Deductible for all family members. The family Deductible can be met by a combination of family members; however, no single individual within the family will be subject to more than the individual Deductible amount.		
<b>Member Coinsurance</b>	5%	30%
Applies to all expenses unless otherwise stated.		
<b>Payment Limit</b> (per calendar year)	\$500 Individual \$1,000 Family	\$1,500 Individual \$3,000 Family
All covered expenses accumulate toward the in-network and out-of-network Payment Limit. Certain member cost sharing elements may not apply toward the Payment Limit. Pharmacy expenses do not apply towards the Payment Limit. Only those out-of-pocket expenses resulting from the application of coinsurance percentage, copays, and deductibles (except any penalty amounts) may be used to satisfy the Payment Limit. The family Payment Limit is a cumulative Payment Limit for all family members. The family Payment Limit can be met by a combination of family members; however, no single individual within the family will be subject to more than the individual Payment Limit amount.		
<b>Lifetime Maximum</b>	Unlimited except where otherwise indicated.	
<b>Primary Care Physician Selection</b>	Optional	Not Applicable
<b>Certification Requirements</b> - Certification for certain types of Out-of-Network care must be obtained to avoid a reduction in benefits paid for that care. Certification for Hospital Admissions, Treatment Facility Admissions, Convalescent Facility Admissions, Home Health Care, Hospice Care and Private Duty Nursing is required.		
<b>Referral Requirement</b>	None	None

<b>GENERAL PROVISIONS</b>		
<b>Dependents Eligibility</b>	Spouse, children from birth to age 26 regardless of student status.	

You may choose a provider (doctor or hospital) in our network. You may choose to visit an out-of-network provider. If you choose a doctor who is out of network, your health plan may pay some of that doctor's bill. Most of the time, you will pay a lot more money out of your own pocket if you choose to use an out-of-network doctor or hospital.

When you choose out-of-network care, we limit the amount it will pay. This limit is called the "recognized" or "allowed" amount.

- For doctors and other professionals the amount is based on what Medicare pays for these services. The government sets the Medicare rate. Exactly how much we "recognize" depends on the plan you or your employer picks.
- For hospitals and other facilities, the amount is based on what Medicare pays for these services. The government sets the Medicare rate. Exactly how much we "recognize" depends on the plan you or your employer picks.

### **PLAN DESIGN & BENEFITS ADMINISTERED BY AETNA HEALTH INSURANCE COMPANY - SELF-FUNDED**

Your doctor sets his or her own rate to charge you. It may be higher -- sometimes much higher -- than what your plan "recognizes." Your doctor may bill you for the dollar amount that we don't "recognize." You must also pay any copayments, coinsurance and deductibles under your plan. No dollar amount above the "recognized charge" counts toward your deductible or out-of-pocket maximums. To learn more about how we pay out-of-network benefits visit our website.

You can avoid these extra costs by getting your care from Aetna's broad network of health care providers. Go to [www.aetna.com](http://www.aetna.com) and click on "Find a Doctor" on the left side of the page. If you are already a member, sign on to your Navigator member site.

This applies when you choose to get care out of network. When you have no choice (for example: emergency room visit after a car accident, or for other emergency services), we will pay the bill as if you received care in network. You pay cost sharing and deductibles for your in-network level of benefits. Contact us if your provider asks you to pay more. You are not responsible for any outstanding balance billed by your providers for emergency services beyond your cost sharing and deductibles.

Plans are provided by Aetna Life Insurance Company. While this material is believed to be accurate as of the production date, it is subject to change.

Health benefits and health insurance plans contain exclusions and limitations. Not all health services are covered.

You may be responsible for the health care provider's full charges for any non-covered services, including circumstances where you have exceeded a benefit limit contained in the plan. Providers are independent contractors and are not our agents. Provider participation may change without notice. We do not provide care or guarantee access to health services.

*Note:*

1. A maintenance medication is taken regularly for chronic conditions or long-term therapy. A few examples include medications for managing high blood pressure, asthma, diabetes, or high cholesterol.
2. Copayment, copay or coinsurance means the amount a plan participant is required to pay for a prescription in accordance with a Plan, which may be a deductible, a percentage of the prescription price, a fixed amount or other charge, with the balance, if any, paid by a Plan.
3. When a generic is available, but the pharmacy dispenses the brand-name medication for any reason, you will pay the difference between the brand-name medication and the generic plus the brand copayment. A brand penalty appeal form is available on Ask Anne.

# Important Things to Know about the **CAREMARK Prescription Drug Program**

## **Prescriptions filled at the retail pharmacy have a Day Supply Limit & Refill Limit**

Prescriptions written for up to a 30-day supply of a new, non-maintenance medication may be filled twice at any retail pharmacy (that's one initial fill plus one refill). After the second retail fill on medications, you must use the Caremark Mail Service or a CVS retail pharmacy and request a 90-day supply.

## **Maintenance Choice Program**

Maintenance Choice offers you choice and savings when it comes to filling long-term\* prescriptions. You have two ways to save:

### **Option 1: CVS Caremark Mail Service Pharmacy:**

- Enjoy convenient home delivery
- Receive a 90-day supply
- Receive your medications in private, tamper-resistant and (when needed) temperature-controlled packaging
- Talk to a pharmacist by phone

Plus, you can easily order refills and manage your prescriptions anytime at [www.caremark.com](http://www.caremark.com).

### **Option 2: CVS/pharmacy:**

- Pick up your medication at a time that is convenient for you
- Receive a 90-day supply for the same mail order copayment
- Enjoy same-day prescription availability
- Talk with a pharmacist face-to-face

*\*A long-term medication is taken regularly for chronic conditions or long-term therapy. A few examples include medications for managing high blood pressure, asthma, or high cholesterol.*

## **Mandatory Generic Requirement**

When a generic drug is available, but the pharmacy dispenses the brand name drug for any reason, you will pay the difference between the brand name drug and the generic, plus the brand co-payment. Members with a medical necessity for a brand name medication may request an appeal by having their physician complete an appeal form and provide supporting documentation.

## **Plan Exclusions**

Some drugs and medications are excluded from coverage, including, but not limited to:

- Over the Counter Drugs
- Cosmetic Products
- Nutritional Supplements

- Adult Multivitamins (except prenatal vitamins)
- Injectable Allergy Serums
- Injectable Androgens
- Topical Nail Fungal Treatment
- Blood Glucose Meters – AACG is enrolled in the diabetic meter program, where members are eligible to receive a free, preferred meter. In addition, Diabetic Supplies are covered at \$0 copay (Includes Syringes, Test Strips, Lancets, Lancet Devices)
- Nebulizers
- Peak Flow Meters
- Blood Plasma/Blood Transfusion Agents
- Weight-loss drugs
- Vitamins and minerals (except for prescription pre-natal)
- Drugs that are labeled by the FDA as “less than effective,” and
- Cosmetic products (not including acne medications)

The excluded drug list can change at any time. You can check to see if a particular drug is covered by visiting [www.caremark.com](http://www.caremark.com). Members with a medical necessity for a newly excluded drug can submit an appeal to Caremark along with supporting documentation from their physician.

## **Other Clinical Management Programs**

- Formulary Management (3-tier copay design + select formulary exclusions)
- Performance Generic Step Therapy (must use generic alternatives before select brands are covered)
- Mandatory Generic Requirement (Dispense as Written – DAW 1 and DAW 2 penalties)
- Compound Management Strategy Exclusions – includes bulk powders and miscellaneous formulations, such as kits, select topical analgesics, scar products, etc.
- Unapproved Product Strategy Exclusions

## **Prior Authorization (PA)**

- Specialty Guideline Management (all Specialty drugs)
- Topical Acne Agents
- Core Compound Strategy (PA >\$300 + exclusions)
- Diet/Weight Loss Drugs
- Cialis to treat Prostate Cancer or BPH
- Oral/Intranasal Fentanyl PA (with limits)

For more information call 1-866-814-5506. Fax your prior authorization requests to 1-866-443-1172.

## Prescription Drug Quantity Limits

Some drugs have limits on the quantities that are covered. Drugs may have these limits due to warnings from the Food and Drug Administration (FDA), serious or toxic effects, or a high potential for misuse or abuse. Some drugs with quantity limits include, but are not limited to:

- Migraine Drugs (e.g., Imitrex)
- Erectile Dysfunction (e.g., Cialis); Post Limit PA on Cialis 5mg
- Influenza Drugs (e.g., Tamiflu) – with post-limit PA
- Opioids – with post-limit PA
- Topical Lidocaine Limits – with post-limit PA (Core program)

When you go to the pharmacy for a prescription drug with a quantity limitation, your co-pay will only cover the quantity allowed by the plan. You will pay the full cost of any additional quantities.

Preferred drugs are those medications that CVS Caremark has on its primary/preferred drug list. This list may change at any time, and is published on the Caremark website in January, April, July and October and also on County Connect.

The CVS Caremark pharmacists evaluate each medication approved by the Food and Drug Administration (FDA) before adding it to the primary/preferred drug list. Each drug is reviewed for safety, side effects, efficacy (how well the drug works), ease of dosage, and cost. The drugs that are judged the best overall are selected as primary/preferred drugs. Your out-of-pocket costs will be less if you choose primary/preferred drugs.

## Performance Drug List

CVS/Caremark has a performance drug list that is printed and published in January, April, July and October of medications that have demonstrated enhanced clinical efficacy and/or provide more convenient dosage forms. They will remove products that may require less convenient therapy dosing, have more side effects or cost more when compared to available options on the list.

The CVS/Caremark pharmacists evaluate each medication approved by the Food and Drug Administration (FDA) before adding it to the performance drug list. Your out-of-pocket costs will be less if you choose a drug on the performance drug list. These lists are updated quarterly. You can get a copy from County Connect or from the Caremark website

## Specialty Pharmacies for Highly Specialized Drugs

Many new drugs that are now being approved by the FDA are for chronic or serious diseases and are highly specialized. CVS Caremark provides a specialty pharmacy that helps members who need these specialty drugs. These drugs include some anti-cancer medication, growth hormones, infertility drugs, and drugs for multiple sclerosis. The specialty pharmacy has nurses, pharmacists, and other health care professionals who can answer questions you may have regarding specialty drugs and schedule delivery of these drugs to your home.

To find out more about all the benefits that CVS Caremark Specialty Pharmacy Services has to offer—including express delivery, follow-up care calls, expert counseling, and more, contact CaremarkConnect® at **1-800-237-2767**.

# DENTAL Options

AACPL offers eligible employees and retirees the choice of the following dental plan options: CIGNA Dental Care DHMO and CIGNA Dental PPO.

## CIGNA Dental Care (DHMO)

**CIGNA Dental Care** – a Dental Plan that cares about your health and well-being. You and your covered family members have convenient access to dental care through the CIGNA DHMO nationwide network of quality dentists. CIGNA Dental Care covers most preventive and restorative procedures. Ortho-dontic care (even for adults) is covered, too! And, there are no claim forms to file. See your dental DHMO benefit schedule for more information.

## Follow these Easy Steps to use your CIGNA Dental Care (DHMO) Plan:

### 1) Select a DHMO Network Dentist & Inform CIGNA of your Selected Dentist

- **Visit us online** – Register on [www.myCIGNA.com](http://www.myCIGNA.com), a secure on-line tool that makes it easier and faster for you to gain access to your personalized dental benefits information including your patient charge schedule, replacement ID cards, provider look-up and much more.
- **Call us** – Our dedicated team of trained service professionals are ready to assist you with any questions about your coverage, they can also help you find a network general dentist near you.

For toll-free customer service nationwide, call the number on your ID card or **1-800-CIGNA24**

- **NOTE:** Each covered family member can choose his or her own network general dentist – near home, work or school. A dental ID card will be mailed to you only after you have informed CIGNA which network dentist you've selected.
- You can change your dental office at any time by visiting [myCIGNA.com](http://myCIGNA.com), using our automated Quick Transfer option or by simply calling customer service at **1-800-CIGNA24**. The change will become effective the first of the following month.

### 2) Visit your Network Dentist

- Review the CIGNA DHMO Plan Patient Charge Schedule (PCS) and other plan materials. The PCS lists all of the services your dental plan covers, and your financial responsibility for any dental treatment you receive.
- Coverage for most preventative services is covered and is provided at low or no charge.

- You are responsible for paying the provider at the time of services as shown on your PCS.
- If you seek covered services from a dentist who does not participate in the CIGNA DHMO network, your benefits may be significantly reduced or may not apply at all.

## CIGNA Dental PPO Options

The CIGNA Dental PPO (DPPO) plan balances choice and savings, giving you more reasons to smile! You have two options with the Dental PPO plan.

### CIGNA Dental (PPO Core)

The Cigna Dental PPO (Core) plan allows you both in and out of network options. You and your covered family members have convenient access to the dental care you need through our nationwide network of dentists or you can see a dentist not in the network. There is a \$1,000 maximum benefit per person per calendar year (in or out of network) & a separate \$1,000 maximum benefit for orthodontia for children under age 19.

### CIGNA Dental PPO (Buy-Up)

Same benefits and options as the CORE plan, but you have the greater benefit of a higher annual maximum. There is a \$2,000 maximum benefit per person per calendar year for in-network and a \$1,500 maximum benefit for out of network.

CIGNA wants you to get the most out of your dental care dollars. CIGNA DPPO network providers agree to accept discounts when treating CIGNA Dental members and cannot charge more than their contracted fees. Non-network dentists are not obligated to charge discounted fees, which can raise your out-of-pocket costs.

Referrals are not needed for specialty care. You can visit a specialist (or any dentist) whether in or out of the CIGNA DPPO network at any time for care. Remember: you can save by choosing an in-network provider.

## Oral Health Integration Program

The Cigna Dental Oral Health Integration Program is a program that reimburses out-of-pocket costs for specific dental services used to treat gum disease and tooth decay. The program is for people with certain medical conditions that have been found to be associated with gum disease. There's no additional cost for the program – if you qualify, you get reimbursed.

If you have a Cigna dental plan, you're eligible for this program. You must currently be under treatment by a doctor for any of the following conditions: heart disease, stroke, diabetes, maternity, chronic kidney disease, organ transplants, head and neck radiation.

When you visit your dentist, you will pay your usual copay or coinsurance amount. Next, your dentist will send Cigna the claim. Cigna will review the claim and refund your copay and/or coinsurance for eligible dental services. Once Cigna receives your claim, you can expect to be reimbursed in about 30 days. You must enroll in this program to receive the benefits.

When you join the program, you get discounts on prescribed mouthwashes, fluoride gels and toothpastes from your dentist through Cigna Home Delivery Pharmacy who will help you get these items sent right to your home.

You can ask Cigna for information on issues that affect your oral health and your overall wellness – such as fear of going to the dentist. Or the impact of stress or tobacco products. Cigna will also give you guidance on how to overcome these behaviors.

## Estimate and Plan your Dental Care Costs

You can find out what treatment costs will be by asking your dentist for a predetermination of benefits or logging on to myCIGNA.com to access the Dental Treatment Cost Estimator. This user friendly, comprehensive web-based tool on myCIGNA.com allows you to get dental estimates based on your specific plan design with Anne Arundel County and is adjusted by geographic location.

## Contacting CIGNA

**Visit us online** – Register on [www.myCIGNA.com](http://www.myCIGNA.com), a secure on-line tool that makes it easier and faster for you to gain access to your personalized dental benefits information, replacement ID cards, provider look-up and much more.

**Call us** – Our dedicated team of trained service professionals are ready to assist you with any questions about your coverage, they can also help you find a network general dentist near you. For toll-free customer service nationwide, call the number on your ID card or **1-800-CIGNA24**.

## Cigna Dental Care Plan<sup>1</sup>

**THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE EVIDENCE OF COVERAGE AND HEALTH SERVICES AGREEMENT SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.**

Regular dental care is important for a healthy smile. And a healthy body. With the Cigna Dental Care® plan, you get comprehensive dental coverage that's easy to use. At a wallet-friendly price. Now that's something to smile about.

This overview shows you a sampling of covered services. And what your plan pays. For a full listing of covered services, please call Customer Service at **800.Cigna24 (800.244.6224)**.

### Get the most value from your plan

With your Cigna Dental Care plan, some preventive services are covered at 100%. (See chart below.) Your plan also covers many other dental services that help your mouth stay healthy.

Your Cigna Dental Care plan is a **copayment plan**. Here's how it works. When you get a dental service, Cigna allows your network dentist to charge a certain amount. Then **you pay a fixed portion** of that cost, in addition to any allowable charge for upgraded materials (such as gold, high noble metal or porcelain used in molar restorations), CAD/CAM services, complex rehabilitation or characterizations (for dentures). And your plan pays the rest. There are **no annual maximums** and **no deductibles**!

Review your plan materials for more information about how your plan works. If you have questions before enrollment, call **800.Cigna24 (800.244.6224)** and select the "Enrollment Information" prompt.

1. "Cigna Dental Care" is the brand name used to refer to product designs that may differ by state of residence of enrollee, including but not limited to, prepaid plans, managed care (including Dental HMO) plans, and plans with open access features. Cigna Dental Care plans are not available in the following states: AK, HI, ME, MT, NH, NM, ND, PR, RI, SD, VI, VT, WV, and WY.
2. Costs listed for the Cigna Dental Care plan do not vary. Estimated costs without dental coverage may vary based on location and dentists' actual charges. These estimated costs are based on charges submitted to Cigna in 2015/2016 and are intended to reflect national average charges as of July 2018 assuming an annual cost increase of three percent. Estimates have been adjusted to reflect the 2016 Cigna Dental Care geographical membership distribution. Office visit fee may also apply.
3. **This is NOT insurance and does not provide for reimbursement of financial losses.** The Cigna Identity Theft Program is provided under a contract with Generali Global Assistance. Full terms, conditions and exclusions are contained in the client program description.
4. **Minnesota residents:** You must visit your selected network dentist in order for the charges on the PCS to apply. You may also visit other dentists that participate in our network or you may visit dentists outside the Cigna Dental Care network. If you do, the fees listed on the PCS will not apply. You will be responsible for the dentist's usual fee. We will pay 50% of the value of your network benefit for those services. Of course, you'll pay less if you visit your selected Cigna Dental Care network dentist. Call Customer Services for more information.  
**Oklahoma residents:** Cigna Dental Care is an Employer Group Pre-Paid Dental Plan. You may also visit dentists outside the Cigna Dental Care network. If you do, the fees listed on the PCS will not apply. You will be responsible for the dentist's usual fee. We pay non-network dentists the same amount we'd pay network dentists for covered services. Of course, you'll pay less if you visit a network dentist in the Cigna Dental Care network. Call Customer Services for more information.
5. **Oklahoma residents:** This exclusion is replaced by the following: War or act of war (whether declared or undeclared) while serving in the military or an auxiliary unit attached to the military or working in an area of war whether voluntarily or as required by an employer.
6. **Arizona and Pennsylvania residents:** This exclusion does not apply. **Kentucky and North Carolina residents:** Services compensated under no-fault auto insurance policies or uninsured motorist policies are not excluded. **Maryland residents:** Services compensated under group medical plans are not excluded.
7. **California and Texas residents:** Treatment for conditions already in progress on the effective date of your coverage are not excluded if otherwise covered under your PCS.

Dentists who participate in Cigna's network are independent contractors solely responsible for the treatment provided to their patients. They are not agents of Cigna.

<b>Benefit Plan Provisions:</b>				
<b>In-Network Reimbursement</b>	For services provided by a Cigna Dental PPO network dentist, Cigna Dental will reimburse the dentist according to a Fee Schedule or Discount Schedule.			
<b>Non-Network Reimbursement</b>	For services provided by a non-network dentist, Cigna Dental will reimburse according to the Maximum Reimbursable Charge. The MRC is calculated at the 90th percentile of all provider submitted amounts in the geographic area. The dentist may balance bill up to their usual fees.			
<b>Cross Accumulation</b>	All deductibles, plan maximums, and service specific maximums cross accumulate between in and out of network. Benefit frequency limitations are based on the date of service and cross accumulate between in and out of network.			
<b>Calendar Year Benefits Maximum</b>	The plan will only pay for covered charges up to the yearly Benefits Maximum, when applicable. Benefit-specific Maximums may also apply.			
<b>Calendar Year Deductible</b>	This is the amount you must pay before the plan begins to pay for covered charges, when applicable. Benefit-specific deductibles may also apply.			
<b>Carryover Provision</b>	Dental Expenses incurred and applied toward the Individual or Family Deductible during the last 3 months of the calendar year will be applied toward the next year's Deductible.			

Note:

- 1 All deductibles, plan maximums, and service specific maximums (dollar and occurrence) cross accumulate between in- and out-of- network.
- 2 Pretreatment review is available on a voluntary basis when extensive dental work in excess of \$200 is proposed.
- 3 \*Subject to annual deductible
- 4 \*\*In addition to the amount you pay as indicated in this column, if the out-of-network provider charges a total that is higher than the 90th percentile of reasonable and customary allowances, the provider generally will also bill you for that additional amount.

Administered by: Cigna Health and Life Insurance Company

This material is for informational purposes only and is designed to highlight some of the benefits available under this plan. Consult the plan documents to determine specific terms of coverage relating to your plan. Terms include covered procedures, applicable waiting periods, exclusions and limitations. **Your DPPO plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.**

# DENTAL CLEANINGS

## Frequently Asked Questions

Dental cleanings are important for maintaining healthy teeth and gums.

But there are different types of cleanings, and each may require a different patient payment.\* The information below will help you understand the differences between types of cleanings and the role each can play in the prevention and/or treatment of dental disease. Your dentist will recommend the right cleaning for you.

### Q. What is a Prophylaxis – D1110?

- A.** A prophylaxis, sometimes called a “regular cleaning,” is considered a preventive procedure where the dentist or dental hygienist removes plaque, calculus (tartar) and stains from the teeth. The dentist may recommend this procedure at regular intervals, typically twice per year, for patients whose gum health is generally good (healthy gum color and texture, minimal plaque and calculus, and shallow gum pockets around the teeth). A regular cleaning may also be appropriate for a patient with a gum condition limited to mild gingivitis (gum inflammation).

### Q. What is Scaling in the Presence of Inflammation – D4346?

- A.** Scaling in the presence of inflammation is considered to be a therapeutic procedure where the dentist or dental hygienist removes plaque, calculus, and stains from the teeth. Unlike a prophylaxis (D1110) that may be recommended when there is *mild* gingivitis (gum inflammation), scaling in the presence of inflammation may be recommended when there is *moderate* to *severe* gum inflammation. This procedure is intended for patients who exhibit swollen, inflamed gums and moderate to severe bleeding when the dentist or hygienist probes the gum pockets. These gum pockets may be deeper than normal due to the swelling and inflammation of the gum tissue, but not due to any loss of bone that supports the teeth.

The type of cleaning you need – regular cleaning, cleaning in the presence of inflammation, debridement, deep cleaning or periodontal maintenance – is determined by your treating dentist based on:

- › The clinical condition of your teeth and gums
- › Your history of gum disease and treatment

Together, all the way.®

### **Q. What is Full Mouth Debridement – D4355?**

**A.** On rare occasions when there has been significant buildup of plaque and calculus which makes it difficult to complete a thorough examination, the dentist may recommend full mouth debridement. Full mouth debridement is the removal of plaque and calculus buildup from the teeth and gums. This procedure is generally performed before an oral examination and diagnosis, and does not necessarily eliminate the need for additional scaling and/or teeth cleaning procedures.

### **Q. What is Scaling and Root Planing – D4341/D4342?**

**A.** Periodontal scaling and root planing is often called a “deep cleaning.” A dentist will recommend scaling and root planing when a patient shows signs of gum disease. These signs may include the finding of deeper gum pockets, loss of the bone that supports the teeth bleeding gums, and/or accumulation of plaque and calculus below the gumline. Scaling and root planing procedures are generally completed by quadrant, or sections of the mouth, and may require the dentist or dental hygienist to numb the treatment area so that the tooth and root surfaces of the teeth can be thoroughly scaled and cleaned.

### **Q. What is Periodontal Maintenance – D4910?**

**A.** Periodontal maintenance is a procedure that is performed after active periodontal treatment, such as scaling and root planing or more extensive periodontal surgery. Periodontal maintenance includes removal of plaque and calculus above and below the gumline, scaling and root planing of specific areas as needed, and polishing. Ongoing maintenance is important because gum disease can recur without the appropriate follow-up. Periodontal maintenance continues at varying intervals as recommended by your dentist.

**Do you have questions about the type of cleaning recommended for you? Take the time to discuss them with your dentist.**

# VISION Care

## EYEMED® PLAN

The EyeMed vision plan will send all enrolled employees an ID card, with your name on it, in a welcome package. The package will include two ID cards and a list of local doctors accepting your insurance near your home address. But, you don't need an ID card to receive care. EyeMed members can use an EyeMed network provider or an out of network (non-participating) provider. If you use a non-participating provider, you will get a lesser benefit. If you use an EyeMed provider, the provider can confirm your enrollment directly with EyeMed, and apply any benefits or discounts at the time of service.

When you obtain services from an EyeMed doctor, you get the most value from your vision benefit. And with the largest network of highly qualified private practice doctors, it's easy to find a doctor near your home or work. To verify your doctor is an EyeMed doctor or to locate an EyeMed doctor:

- Visit [www.EyeMed.com](http://www.EyeMed.com), or
- Call Member Services at **1-866-804-0982**.

## And using your EyeMed benefit is simple

To access your benefits, simply:

- Make an appointment with an EyeMed doctor
- Tell the doctor you are a EyeMed member when making the appointment
- Providers will ask for name and date of birth of the member seeking benefits.

Fees charged by a Provider for services other than a covered benefit must be paid in full by the Insured Person to the Provider. Such fees or materials are not covered under the Policy. Benefit allowances provide no remaining balance for future use within the same Benefit Frequency. No benefits will be paid for services or materials connected with or charges arising from: services or materials provided by any other group benefit plan providing vision care; medical and/or surgical treatment of the eye, eyes or supporting structures; services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof; orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses; any Vision Examination, or any corrective eyewear required by a Policyholder as a condition of employment; safety eyewear; non-prescription sunglasses; plano (non-prescription) lenses; two pair of glasses in lieu of bifocals; services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the Insured Person are within 31 days from the date of such order; or lost or broken lenses, frames, glasses, or contact lenses will not be replaced except in the next Benefit Frequency when Vision Materials would next become available. Member receives a 20% discount on items not covered by the plan at In-Network locations. Discount does not apply to Provider's professional services or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see the online provider locator to determine which participating providers have agreed to the discounted rate. Discounts on vision materials may not be applicable to certain manufacturers' products The Plan reserves the right to make changes to the products on each tier and to the member out-of-pocket costs. Fixed tier pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels. Services and amounts listed above are subject to change at any time.

# FLEXIBLE *Spending Accounts (FSA)*

Flexible Spending Accounts allow you to set aside dollars from your salary, before paying taxes, to pay for certain out-of-pocket health and/or dependent care expenses. Tax savings result because you do not have to pay income or FICA taxes on the amount withheld from your paycheck or the reimbursement amount. You do not have to participate in an Anne Arundel County Public Library (AACPL) sponsored health plan to participate in a Flexible Spending Account.

WEX manages the FSA plan for our participants. **You must enroll each year if you want to participate in a Health Care or Dependent Care FSA, even if you are currently contributing to a reimbursement account.**

## Health Care Spending Account

You may set aside \$120 to \$2,850 annually in a Health Care Spending Account to pay for qualified medical, prescription drug co-payments and certain over-the-counter (OTC) medications, dental and vision care expenses. The health care expenses may be for you, your spouse, or your eligible dependents. It is no longer necessary that a FSA dependent qualify as a “tax dependent” for purposes of income taxes in order for the employee to claim reimbursements. By signing the FSA Claim form you certify the eligibility of your dependent. The Health Care FSA allows the reimbursement of medical expenses of an employee’s child up to age 26.

The Health Care FSA is used for tax deductible health care expenses not paid by insurance. Whether an expense is eligible for reimbursement under the Health Care FSA is determined under IRS rules. For information on whether an expense is eligible visit WEX website at [www.WEXinc.com/insights/benefits-toolkit/eligible-expenses](http://www.WEXinc.com/insights/benefits-toolkit/eligible-expenses). A prescription is required for over-the-counter drugs in order to claim reimbursement under a flexible spending account.

## Dependent Care Spending Account

The Dependent Care Account helps you pay the cost of day care for one or more “Qualifying Individuals” so you (or you and your spouse, if you are married) can work.

**A “Qualifying Individual” is defined as:**

- your child (including a stepchild), brother, sister, step-brother or stepsister (or a descendant of any of those, such as your grandchild or your niece or nephew) who is under the age of 13, who has the same principal residence as you

for at least half of the tax year and who does not provide at least half of his or her own support for the current calendar year.

- your spouse (for purposes of federal law) who is physically or mentally incapable of taking care of himself or herself and who has the same principal residence as you for at least half of the tax year; or
- any person who qualifies as your dependent for tax purposes (using the same definition of dependent for tax purpose that applies to medical benefits under the Benefits Eligibility section of this Guide, except that the special rule for children of divorced or separated parents does not apply) who is physically or mentally incapable of taking care of himself or herself and who has the same principal residence as you for at least half of the tax year.

If you are single or are married and filing a joint tax return, you may contribute up to \$5,000 each calendar year. If you are married and filing a separate tax return, you may contribute up to \$2,500 per year. However, your total contributions for the year cannot exceed the lesser of your earned income or, if you are married, your spouse’s earned income. For purpose of this limit, if your spouse is either a full-time student or is incapable of self-care, your spouse will be deemed to have earned income for each month that he or she is a full-time student or incapacitated. The amount of deemed earnings will be \$250 a month, if you provide care for one Qualifying Individual, or \$500 a month, if you provide care for more than one Qualifying Individual.

The Dependent Care FSA is used for dependent care expenses that allow you (or you and your spouse, if married) to work or look for work, or that allow your spouse to attend school full-time. Expenses incurred for services outside your household may be reimbursed only if incurred for the care of (i) a Qualifying Individual who is a qualifying child under thirteen years or age or (ii) another Qualifying Individual who regularly spends at least eight hours each day in your household. In addition, if the services are provided by a Dependent Care Center, the Center must comply with applicable laws and regulations of a State or local government. A “Dependent Care Center” is any facility services for any of the individuals.

**Under the Internal Revenue Code, you also may reduce your taxes by taking a dependent care tax credit. However, any amounts which you exclude from income under the Dependent Care FSA will reduce, dollar for dollar, the tax credit available.**

**Consult your tax advisor to determine whether the FSA or the tax credit gives the greater tax advantage for you.**

**You may participate in one or both of the Flexible Spending Accounts, but the Health Care and Dependent Care spending accounts are separate. Money cannot be transferred from one account to the other.**

## Receiving Your Reimbursement

WEX processes reimbursement claims daily. You can download their mobile app and take photos of your receipt and upload it to your account or you can submit paper claims via fax or on the computer. If you sign up for direct deposit reimbursement your claims will process and pay to your bank within 3 days. If you submit paper claims there is a \$25 minimum reimbursement amount before payments will be released. If your claim is for less than \$25, your reimbursement will be held until you file additional claims to hit the \$25 amount or it will automatically pay at the end of each month if it is less than \$25. You may be reimbursed from the Health Care FSA at any time throughout the year for expenses up to the annual amount you elected to contribute. For the Dependent Day Care FSA, however, you may only be reimbursed up to your current balance. If you file a reimbursement request for more than your Dependent Day Care FSA current balance, it will be held until additional contributions have been added to your account. In addition, day care expenses are not reimbursed until the end of the time period incurred. For example, expenses for summer camp from June 1 –15 would not be reimbursed until after June 15th. Sign up for Direct Deposit for faster access to your FSA reimbursement dollars. Visit the WEX FSA website [www.WEXinc.com/solutions/benefits](http://www.WEXinc.com/solutions/benefits) to authorize direct deposit for FSA funds.

## FSA Deadlines

All FSA claims must be submitted to WEX by the next March 31 following the end of the Plan Year. For the 2023 Plan Year, all FSA claims must be submitted by March 31, 2024.

There is a 2 ½ month “Grace Period” following the end of the Plan Year in which you can continue to incur expenses for that Plan Year for both the Health Care and Dependent Care FSA. So, you actually have until March 15, 2024 to incur eligible expenses for reimbursement.

Because of the FSA tax advantages, the IRS places strict limits on them, including a “Use-It-or-Lose-It” rule that means that if you have unused dollars in your account and you have not incurred eligible expenses by the end of the year or by the end of the Grace Period that follows the plan year, you cannot roll the leftover amount over to the next plan year, and unused dollars cannot be paid out to you. So plan carefully when deciding how much you want to contribute to the FSA.

## Special FSA Distributions for Reservists

The Heroes Earning Assistance and Relief Tax Act of 2008 (HEART Act) permits qualified reservist distributions of unused amounts in health flexible spending accounts to reservist ordered or called to active duty for at least 180 days or on an indefinite basis. Contact the Benefits Office for additional information.

## Terminating or Retiring in 2023?

If you retire or end AACPL employment during the plan year, only expenses incurred while you were still an Active Employee will be considered for reimbursement (except if you are eligible and elect to continue Health Care FSA coverage under COBRA).

# GROUP Life Insurance

## Group Life Insurance Program Overview

The Library group life insurance benefit is insured by MetLife. Library employees are offered group term life and accidental death and dismemberment insurance based on their employment classification. Life insurance benefits are pro-rated for eligible part-time employees.

Voluntary optional term life insurance for yourself, your spouse and/or your children (up to age 26) is also available. Cost is based on the amount of coverage you elect, and your age as of January 1st of each year. Spouse’s coverage is based on their age as of January 1st of each year. Refer to the chart below for details.

Additional details on group life and AD&D benefits can be found in your group insurance certificate (MetLife plan booklet). The controlling provision will be in the group policy issued by MetLife. Neither the certificate nor the information presented in this document modify the group policy or the insurance coverage in any way.

## Life Insurance Plan Description

Anne Arundel County Public Library’s Life Insurance plans are term insurance. Term insurance policies provide protection while you are employed with Anne Arundel County Public Library. The policy does not earn interest or pay dividends to policyholders. Basic group life coverage from the Library does not continue into retirement. Benefits are pro-rated for part-time employees eligible for life insurance. Basic and Optional Life Insurance policy values reduce by 35% the next pay period following your 65th birthday.

## Life Insurance Beneficiary Designation

All eligible new employees are required to identify a beneficiary who will receive the life insurance benefit in the event of the employee’s death. It is important to review your beneficiaries – especially following major life events such as marriage, divorce, birth or adoption of a child or a death in your family. Beneficiary designations may be updated at any time. To change your life insurance beneficiary, fill out a beneficiary change form. Beneficiary change forms are available in Human Resources.

### What is the "Excess Ins" deduction on my paycheck?

If you receive more than \$50,000 in Basic Life Insurance benefits, the IRS requires that you be taxed on the value of employer-provided group term life insurance over \$50,000. The taxable value of this life insurance coverage is called "imputed income" and reflected on your paycheck stub as "Excess Ins." Even though you don't receive cash, you are taxed as if you received cash in an amount equal to the value of this coverage. You pay taxes on the amount of term life coverage over \$50,000. To avoid the Imputed Income Tax on Basic Life Insurance, you may elect to freeze your basic life policy at \$50,000 instead of a policy value equal to two times your salary to a maximum of \$100,000. Contact Human Resources for more information.

### No Duplication of Benefits or Enrollment

You cannot have duplicate coverage under AACPL's life insurance program. If you and your spouse are both AACPL employees eligible for life insurance, neither of you may enroll in Spouse Life insurance. (This also applies to retirees enrolled in the life insurance program.) Also, children AACPL employees cannot have duplicate coverage under both parents, or coverage as a child and as an employee. MetLife will only pay benefits for one policy. Dependent eligibility requirements for group life insurance are the same as the requirements for all other AACPL benefits.

### Accidental Death & Dismemberment (AD&D)

The Library's plan includes AD&D coverage for employees that pays a benefit for loss of life or other injuries resulting from a covered accident. Injuries covered may include loss of sight or speech, paralysis and dismemberment of hands or feet.

### Accelerated Benefit Option

If you are determined to be terminally ill (have a life expectancy of less than 12 months and meet other eligibility requirements), you may be eligible to receive up to 75 percent, or a maximum of \$500,000, of your group term life insurance benefit. This benefit allows you to use the proceeds as you desire — whether to

cover medical expenses or to maintain your quality of life. In the event of your death, your beneficiary will receive a benefit payout which has been reduced by the amount you receive.

## Continuation of Coverage

Active employees enrolled in Optional Life Insurance for at least 60 days prior to retirement may elect to continue Optional Life insurance coverage into retirement under the Library group policy.

If any of your Life insurance from MetLife ends or reduces for any reason other than failure to pay premiums, the Right to Convert provision allows you to convert your coverage to certain types of individual life insurance policies without having to provide evidence of insurability. You must apply for conversion and pay the required premium to MetLife within 31 days after group coverage ends or reduces. AD&D coverage may not be converted under this provision.

If your insurance ends because your employment terminates, you may be eligible to buy group life insurance from MetLife through the Portability provision, assuming you meet the eligibility requirements.

MetLife has arranged for financial professionals with Massachusetts Mutual Life Insurance Company to help explain your options, since MetLife cannot provide individual guidance. To begin this process, you can arrange a meeting with a local Mass Mutual financial professional by calling 877-275-6387.

## Premium Waiver

If you are enrolled in Optional Life Insurance coverage, and have not worked for a period of 180 days, and are completely disabled, you may be eligible for a waiver (no payment) of your Optional Life Insurance premium. You, the County, and your physician must complete the

required forms. Please contact Human Resources for an application form.

Additional details on group life and AD&D benefits can be found in your group insurance certificate (MetLife plan booklet). The controlling provisions will be in the group policy issued by MetLife. Neither the certificate nor the information presented in this document modify the group policy or the insurance coverage in any way. If you have additional questions, please contact Human Resources.

## Retiree Life Insurance

Retirees are not eligible for Basic Life insurance, Spouse Life insurance or Child Life insurance.

Active employees who are enrolled in the Optional Life Insurance plan for at least 60 days prior to retirement may elect to continue Optional Life Insurance coverage into retirement. The election must be made prior to your retirement date, and may not be made after retirement commences. Retirees who are enrolled in Optional Life Insurance may not increase your policy value at any time. Optional Life Insurance policy values reduce by 35% the pay period following your 65th birthday.

## OTHER *Benefits*

**The United Legal Benefits Plan (ULB)** The ULB Plan is a group legal insurance plan that provides comprehensive legal protection for you and your family for only \$17.50 per month. (12-month enrollment is required.) All legal matters are covered by the Plan. Many, such as preparation of wills, review of legal documents, unlimited advice and consultation, and legal representation are included for no additional charge. All other legal needs are provided at discounts of at least 25%. You select a local law firm and all contact is private and confidential between you and your chosen attorney.

# BENEFITS *Eligibility*

## Who is Eligible for Benefits

### Individuals eligible for benefits include:

- Full-time or part-time permanent budgeted employees (working 50% or more of the workweek) Anne Arundel County Public Library (AACPL) employees are eligible for all benefits in this guide.
- Retirees who are currently receiving a monthly Library retirement pension who have not waived coverage. Retirees are eligible only if they were eligible for health insurance as an active employee.
- Surviving Spouses of deceased AACPL retirement system retirees who were previously covered by their spouse's insurance plan, and who will receive a surviving spouse pension benefit.

### Eligible dependents include:

- Your legal spouse, as recognized in the State of Maryland (not including common law spouses).
- Your child, including a stepchild, adopted child, or biological child, is eligible until the end of the month in which the child turns 26.
- Your dependent child of any age who is physically/mentally incapable of self-support (as specified through IRS guidelines) and whose disability began before age 26 and while the child was covered under the Plan.
- Your dependent child for whom you are the legal guardian. Guardianship ends with the courts at age 18 so does your coverage for the child unless you adopt them.

*Note: It is your responsibility to notify Human Resources each time you have a change in your eligible dependents and to notify Human Resources within 31 days of qualifying events such as marriage, a newborn's birth or loss of other insurance coverage.*

## Dependent Documentation

Dependent documentation is required with new employee benefit enrollments and new retiree benefit enrollments.

Documentation is also required for dependents added to your plan during open enrollment and following a mid-year qualifying event. Dependent documentation includes copies of your marriage certificate, dependent's birth certificates and dependent's social security cards. Birth registration notices are not accepted as proof of birth. Refer to the Making Mid-year Changes section for additional information on dependent documentation.

### Spouse

- Copy of official state marriage certificate dated and signed by the appropriate State or County official.
- A copy of your spouse's social security card.
- A copy of Medicare card if your spouse is enrolled in Medicare.
- Any qualifying life event throughout the year that has you adding your spouse (excluding marriage) will require proof of joint ownership. In addition to an official state marriage certificate dated and signed by the appropriate State or County official, you must provide one of the following documents to confirm joint ownership. Please redact all social security numbers and financial data.

#### Standard proof of joint ownership includes:

- |   |   |
|---|---|
| ■ Mortgage statement  | ■ Property tax  |
| ■ Bank statement (bank account verification letter showing active status) | ■ Current-year state tax return listing spouse/partner                        |
| ■ Active lease agreement  | ■ Current-year mortgage interest/mortgage insurance                           |
| ■ Homeowners Insurance  | ■ Warranty deed   |
| ■ Renters Insurance   | ■ Auto loans  |
| ■ State Tax Return (within 1 year)  | ■ Current-year federal tax return listing the spouse/dependent as a dependent |
| ■ Credit card statement (includes: department stores; and care credit)    |   |

### Child

- Copy of child's official state birth certificate dated and signed by the appropriate State. **Note: Maryland Birth Registration Notices are not accepted as dependent documentation.**
- For stepchildren, provide a copy of the child's official state birth certificate and a copy of your official state marriage certificate.
- For adopted children, provide a copy of the court order placing the child pending final adoption or a copy of the final adoption decree signed by a judge.
- For court appointed guardianships of grandchildren, in cases where the guardianship is for 12 months or longer, provide a copy of court document signed by a judge.
- A copy of the child's social security card.
- A copy of Medicare card if the child is enrolled in Medicare. **Note: Temporary custody and guardianships under 12 months are not eligible for Library insurance enrollment.**

## Enrolling During Open Enrollment & Throughout the Year

Anne Arundel County Public Library's benefits fall into two different enrollment categories. Most benefits are limited-enrollment, allowing you to enroll only as a new hire, during the annual open enrollment period, or if you qualify to make a mid-year change in coverage that is permitted under the Plan (and under IRS rules).

*Note: Temporary custody and guardianships under 12 months are not eligible for insurance enrollment.*

## Enrolling During Open Enrollment & Throughout the Year

AACPL's benefits fall into two different enrollment categories. Most benefits are limited-enrollment, allowing you to enroll only as a new hire, during the annual open enrollment period, or if you qualify to make a mid-year change in coverage that is permitted under the Plan (and under IRS rules).

Other benefits, such as voluntary benefits, allow you to enroll at any time during the year (subject to any administrative procedures that may be imposed by the Plan or an insurance carrier). You may not change your elections mid-year for limited-enrollment benefits except under limited conditions as described in the Making Mid-Year Changes section below.

## Making Mid-Year Changes

If you wish to make a mid-year change to your benefit elections, you must contact Human Resources within 31 days after the qualifying event, and provide a benefits change form or go to the ADP portal with supporting documentation. Your change request must be consistent with the qualifying event. Proof of other coverage is required for mid-year requests to cancel dependent coverage.

## Examples of Qualifying Status Change Events:

- Change in dependents due to birth, adoption, marriage, divorce, death, or reaching the maximum age limit for the plan.
- Involuntary loss of other medical insurance coverage for yourself or your dependents.
- You or your dependent child's enrollment in or loss of SCHIP, Medicaid, Medicare or Medical Assistance coverage.
- Significant mid-year change in cost or plan coverage in the Anne Arundel County sponsored plans.

## Consistent Coverage Level for Employees

Four coverage level options are available: Individual, Parent & Child, Employee/Retiree & Spouse, or Family. Employees must have a consistent coverage level for the medical, dental and vision plans. Retirees may elect a different coverage level for each insurance plan.

## Duplicate Coverage

A husband and wife who are both active AACPL employees and/or retirees may not have duplicate coverage under any plan by covering each other under separate enrollments. Also, children of two employees and/or retirees may not be covered twice under both parents' plans. This rule includes life insurance, medical, dental and vision coverage. It is your responsibility to make sure that you or your dependents do not have duplicate AACPL coverage. Duplicate benefits will not be paid. In the event benefits are paid, you will be responsible for reimbursing AACPL.

## Special Enrollment Periods for Employees and Dependents

If you decline enrollment in the Plan's health coverage options for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in the Plan's health coverage features if you or your dependents lose eligibility for that other coverage (or if an employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

You (or your dependent) will be treated as losing eligibility for other coverage if the coverage is no longer available because you (or your dependent) have reached a lifetime limit for all benefits under that coverage. In that case, you must request enrollment within 31 days of the date that a claim is denied, in whole or in part, because of reaching that lifetime limit, or, if the other coverage is COBRA continuation coverage, within 31 days after a claim that would exceed the lifetime limit is incurred.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Human Resources at 410-222-7107 or at [humanresources@aacpl.net](mailto:humanresources@aacpl.net).

# IMPORTANT *Legal Notices and Information*

## **The Newborns' and Mothers' Health Protection Act of 1996 (NMHPA)**

The Newborns' and Mothers' Health Protection Act of 1996 (NMHPA) affects the amount of time you and your newborn child are covered for a hospital stay following childbirth. In general, group health plans and health insurance issuers that are subject to NMHPA may NOT restrict benefits for a hospital stay in connection with childbirth to less than 48 hours following a vaginal delivery or 96 hours following a delivery by Cesarean section. If you deliver in the hospital, the 48-hour (or 96-hour) period starts at the time of delivery. If you deliver outside the hospital and you are later admitted to the hospital in connection with childbirth, the period begins at the time of the admission. Although the NMHPA prohibits group health plans and health insurance issuers from restricting the length of a hospital stay in connection with childbirth, the plan or health insurance issuer does not have to cover the full 48-hours (or 96-hours) in all cases. If the attending provider, in consultation with the mother, determines that either the mother or the newborn child can be discharged before the 48-hour (or 96-hour) period, the group health plan and health insurance issuers do not have to continue covering the stay for whichever one of them is ready for discharge. Important: In order to have your newborn added to a policy, you must enroll the newborn through the Office of Personnel within 31 days of birth.

## **The Women's Health and Cancer Rights Act of 1998 (WHCRA)**

The Women's Health and Cancer Rights Act of 1998 (WHCRA) is a federal law that provides protections to patients who choose to have breast reconstruction in connection with a mastectomy. As required by the WHCRA this plan provides coverage for:

- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and physical complications of all stages of mastectomy, including lymphedema.

Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and are consistent with those established for other benefits under the plan or coverage. Written notice of the availability of such coverage shall be delivered to the participant upon enrollment and annually thereafter.

## **Non-Assignment of Benefits**

No participant or beneficiary may transfer, assign or pledge any Plan benefits.

## **Benefits Appeal Process**

The County Benefit vendors are committed to processing claims in accordance with the County contract. If you have questions regarding how a claim was processed, first contact the plan Member Services department. If the matter is not resolved by contacting Member Services, telephone the County Benefits staff on **410-222-7400**. The next step is to submit an appeal for review by an independent party. Your appeal request should include details about the claim including the date of service, physician or facility where the service was received, patient's name, and membership ID number. Also include the reasons why you believe the claim was improperly processed. Please refer to the plan member handbook for deadlines for submitting an appeal.

## General Notice Of COBRA Continuation Coverage Rights \*\* Continuation Coverage Rights Under COBRA\*\*

This COBRA Notice section applies to employees, retirees and covered spouses and dependents who have health coverage under the Plan. For purposes of this notice, “Plan” refers only to the medical, prescription drug, dental, vision and health care flexible spending account benefits described in this Summary and this notice is not intended to apply to any other type of benefit.

### Introduction

This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Plan Administrator.

### What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a “dependent child.”

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to Anne Arundel County Government, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to bankruptcy. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the plan.

### When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, commencement of a proceeding in bankruptcy with respect to the employer, or the employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

### You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must

provide this notice to: Anne Arundel County Office of Personnel – Benefits Team, 2660 Riva Road, Annapolis, MD 21401. If the qualifying event is divorce, please provide a copy of your divorce decree showing the divorce date and signature of court official.

### **How is COBRA Coverage Provided?**

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

### **Disability extension of 18-month period of continuation coverage**

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period

of continuation coverage. Your notice must include documentation of the Social Security Administration's decision and it must be provided within 60 days after the date of that decision, or, if later, within 60 days after the later of (1) the date the original qualifying event occurred or (2) the date that coverage would otherwise end because of the original qualifying event.

### **Second qualifying event extension of 18-month period of continuation coverage**

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

### **If You Have Questions**

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

### **Keep Your Plan Informed of Address Changes**

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

## NOTICE OF HEALTH INFORMATION PRIVACY PRACTICES

### To: Participants in health plans sponsored by Anne Arundel County Government

The health plans or options sponsored by Anne Arundel County Government (referred to in this Notice as the “Health Plans”) may use or disclose health information about participants and their covered dependents as required for purposes of administering the Health Plans. Some of these functions are handled directly by County employees who are responsible for overseeing the operation of the Health Plans, while other functions may be performed by other companies under contract with the Health Plans (those companies are generally referred to as “service providers”). Regardless of who handles health information for the Health Plans, the Health Plans have established policies that are designed to prevent the misuse or unnecessary disclosure of protected health information.

Please note that the rest of this Notice uses the capitalized word, “Plan” to refer to each Health Plan sponsored by Anne Arundel County Government, including any County employees who are responsible for handling health information maintained by the Health Plans as well as any service providers who handle health information under contract with the Health Plans. This Notice applies to each Health Plan maintained by Anne Arundel County Government, including plans or programs that provide medical, vision, prescription drug, dental and health care flexible spending account benefits. However, if any of the Plan’s health benefits are provided through insurance contracts, you will receive a separate notice, similar to this one, from the insurer and only that notice will apply to the insurer’s use of your health information.

The Plan is required by law to maintain the privacy of certain health information about you and to provide you this Notice of the Plan’s legal duties and privacy practices with respect to that protected health information. This Notice also provides details regarding certain rights you may have under federal law regarding medical information about you that is maintained by the Plan.

You should review this Notice carefully and keep it with other records relating to your health coverage. The Plan is required by law to abide by the terms of this Notice while it is in effect. This Notice is effective beginning July 1, 2013 and will remain in effect until it is revised.

If the Plan’s health information privacy policies and procedures are changed so that any part of this Notice is no longer accurate, the Plan will revise this Privacy Notice. A copy of any revised Privacy Notice will be available upon request to the Privacy Contact Office indicated later in this Notice. Also, if required under applicable law, the Plan will automatically provide

a copy of any revised notice to employees who participate in the Plan. The Plan reserves the right to apply any changes in its health information policies retroactively to all health information maintained by the Plan, including information that the Plan received or created before those policies were revised.

### Protected Health Information

This Notice applies to health information possessed by the Plan that includes identifying information about an individual. Such information, regardless of the form in which it is kept, is referred to in this Notice as Protected Health Information or “PHI”. For example, any health record that includes details such as your name, street address, date of birth or Social Security number would be covered. However, information taken from a document that does not include such obvious identifying details is also Protected Health Information if that information, under the circumstances, could reasonably be expected to allow a person who receives or accesses that information to identify you as the subject of the information. Information that the Plan possesses that is not Protected Health Information is not covered by this Notice and may be used for any purpose that is consistent with applicable law and with the Plan’s policies and requirements.

### How the Plan Uses or Discloses Health Information

Protected Health Information may be used or disclosed by the Plan as necessary for the operation of the Plan. For example, PHI may be used or disclosed for the following Plan purposes:

**Treatment.** If a provider who is treating you requests any part of your health care records that the Plan possesses, the Plan generally will provide the requested information. (There is an exception for psychotherapy notes. If the Plan possesses any psychotherapy notes, those documents, with rare exceptions, will be used or disclosed only according to your specific authorization.)

For example, if your current physician asks the Plan for PHI in connection with a treatment plan the physician has for you, the Plan generally will provide that PHI to the physician.

**Payment.** The Plan’s agents or representatives may use or disclose PHI about you to determine eligibility for plan benefits, facilitate payment for services you receive from health care providers, to review claims and to coordinate benefits. This includes, if appropriate, disclosing information to the Plan Sponsor, as needed to facilitate the Plan’s payment function.

For example, if the Plan needs to process a payment to your current physician, but requires additional PHI to process that payment, it may request that PHI from the physician.

**Other health care operations.** The Plan also may use or disclose PHI as needed for various purposes that are related to the operation of the Plan. These purposes include utilization review programs, quality assurance reviews, contacting providers regarding treatment alternatives, insurance or reinsurance contract renewals and other functions that are appropriate for purposes of administering the Plan. This includes, if appropriate, disclosing information to the Plan Sponsor, as needed to facilitate the Plan's health care operations function.

For example, if the Plan wishes to undertake a review of utilization patterns under the Plan, it may request necessary PHI from your physician.

In addition to the typical Plan purposes described above, PHI also may be used or disclosed as permitted or required under applicable law for the following purposes:

**Use or disclosure required by law.** If the Plan is legally required to provide PHI to a government agency or anyone else, it will do so. However, the Plan will not use or disclose more information than it determines is required by applicable law.

**Disclosure for public health activities.** The Plan may disclose PHI to a public health authority that is authorized to collect such information (or to a foreign government agency, at the direction of a public health authority) for purposes of preventing or controlling injury, disease or disability.

The Plan also may disclose PHI to a public health authority or other government agency that is responsible for receiving reports of child abuse or neglect.

In addition, certain information may be provided to pharmaceutical companies or other businesses that are regulated by the Food and Drug Administration (FDA), as appropriate for purposes relating to the quality, safety and effectiveness of FDA-regulated products.

Also, to the extent permitted by applicable law, the Plan may disclose PHI, as part of a public health investigation or intervention, to an individual who may have been exposed to a communicable disease or may otherwise be at risk of contracting or spreading a disease or condition.

**Disclosures about victims of abuse, neglect or domestic violence.** (The following does not apply to disclosures regarding child abuse or neglect, which may be made only as provided under Disclosure for public health activities.)

If required by law, the Plan may disclose PHI relating to a victim of abuse, neglect or domestic violence, to an appropriate government agency. Disclosure will be limited to the relevant required information. The Plan will inform the individual if any PHI is disclosed as provided in this paragraph or the next one.

If disclosure is not required by law, the Plan may disclose relevant PHI relating to a victim of abuse, neglect or domestic violence to an authorized government agency, to the extent permitted by applicable law, if the Plan determines that the disclosure is necessary to prevent serious harm to the individual or to other potential victims. Also, to the extent permitted by law, the Plan may release PHI relating to an individual to a law enforcement official, if the individual is incapacitated and unable to agree to the disclosure of PHI and the law enforcement official indicates that the information is necessary for an immediate enforcement activity and is not intended to be used against the individual.

**Health oversight activities.** The Plan may disclose protected health information to a health oversight agency (this includes federal, state or local agencies that are responsible for overseeing the health care system or a particular government program for which health information is needed) for oversight activities authorized by law. This type of disclosure applies to oversight relating to the health care system and various government programs as well as civil rights laws. This disclosure would not apply to any action by the government in investigating a participant in the Plan, unless the investigation relates to the receipt of health benefits by that individual.

**Disclosures for judicial and administrative proceedings.** The Plan may disclose protected health information in the course of any judicial or administrative proceeding in response to an order from a court or an administrative tribunal. Also, if certain restrictive conditions are met, the Plan may disclose PHI in response to a subpoena, discovery request or other lawful process. In either case, the Plan will not disclose PHI that has not been expressly requested or authorized by the order or other process.

**Disclosures for law enforcement purposes.** The Plan may disclose protected health information for a law enforcement purpose to a law enforcement official if certain detailed restrictive conditions are met.

**Disclosures to medical examiners, coroners and funeral directors following death.** The Plan may disclose protected health information to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death, or other duties authorized by law. The Plan also may disclose PHI to a funeral director as needed to carry out the funeral director's duties. PHI may also be disclosed to a funeral director, if appropriate, in reasonable anticipation of an individual's death.

**Disclosures for organ, eye or tissue donation purposes.** The Plan may disclose protected health information to organ procurement organizations or other entities engaged in the procurement, banking, or transplantation of cadaveric organs, eyes, or tissue for the purpose of facilitating organ, eye or tissue donation and transplantation.

**Disclosures for research purposes.** If certain detailed restrictions are met, the Plan may disclose protected health information for research purposes.

**Disclosures to avert a serious threat to health or safety.** The Plan may, consistent with applicable law and standards of ethical conduct, use or disclose protected health information, (1) if it believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public; and the disclosure is made to a person or persons reasonably able to prevent or lessen the threat, including the target of the threat; or (2) if it believes the disclosure is necessary for law enforcement authorities to identify or apprehend an individual because of a statement by an individual admitting participation in a violent crime that the Plan reasonably believes may have caused serious physical harm to the victim or where it appears that the individual has escaped from a correctional institution or from lawful custody.

**Disclosures for specialized government functions.** If certain conditions are met, the Plan may use and disclose the protected health information of individuals who are Armed Forces personnel for activities deemed necessary by appropriate military command authorities to assure the proper execution of the military mission. Also, the Plan may use and disclose the PHI of individuals who are foreign military personnel to their appropriate foreign military authority under similar conditions.

The Plan may also use or disclose PHI to authorized federal officials for the conduct of lawful intelligence, counter-intelligence, and other national security activities or for the provision of protective services to the President or other persons as authorized by federal law relating to those protective services.

**Disclosures for workers' compensation purposes.** The Plan may disclose protected health information as authorized by and to the extent necessary to comply with laws relating to workers' compensation or other similar programs.

**Uses and Disclosures That Are Not Permitted Without Your Authorization.** The Plan will not use or disclose Protected Health Information for any purpose that is not mentioned in this notice, except as specifically authorized by you. If the Plan needs to use or disclose PHI for a reason not listed above, it will request your permission for that specific use and will not use PHI for that purpose except according to the specific terms of your authorization.

Any authorization you provide will be limited to specified information, and the intended use or disclosure as well as any person or organization that is permitted to use, disclose or receive the information must be specified in the Authorization Form. Also, an authorization is limited to a specific limited time period and it expires at the end of that period. Finally, you always have the right to revoke a previous authorization by making a written request to the Plan. The Plan will honor your request to revoke an authorization but the revocation will not apply to any action that the Plan took in accord with the authorization before you informed the Plan that you were revoking the authorization.

**No Use or Disclosure of Genetic Information for Underwriting.** Under applicable law, the Plan generally may not use or disclose genetic information, including information about genetic testing and family medical history, for underwriting purposes. The Plan may use or disclose PHI for underwriting purposes, assuming the use or disclosure is permitted based on the above rules, but any PHI that is used or disclosed for underwriting purposes will not include genetic information.

"Underwriting purposes" is defined under federal law and generally includes any Plan rules relating to (1) eligibility for benefits under the Plan (including changes in deductibles or other cost-sharing requirements in return for activities such as completing a health risk assessment or participating in a wellness program); (2) the computation of premium or contribution amounts under the Plan (including discounts or payments or differences in premiums based on activities such as completing a health risk assessment or participating in a wellness program); (3) the application of any preexisting condition exclusion under the Plan; and (4) other activities related to the creation, renewal, or replacement of a contract for health insurance or health benefits. However, "underwriting purposes" does not include rules relating to the determination of whether a particular expense or claim is medically appropriate.

## Your Health Information Rights

**Under federal law, you have the following rights:**

You may request restrictions with regard to certain types of uses and disclosures. This includes the uses and disclosures described above for treatment, payment and other health care operations purposes. If the Plan agrees to the restrictions you request, it will abide by the terms of those restrictions. However, under the law, the Plan is not required to accept any restriction. If the Plan determines that a requested restriction will interfere with the efficient administration of the Plan or is otherwise inappropriate, it may decline the restriction. If you want to request a

restriction, you should submit a written request describing the restriction to the Privacy Contact Office listed in this Notice.

You may request that certain information be provided to you in a confidential manner. This right applies only if you inform the Plan in writing (submitted to the Privacy Contact Office listed in this Notice) that the ordinary disclosure of part or all of the information might endanger you. For example, an individual may not want information about certain types of treatment to be sent to his or her home address because someone else who lives there might have access to it. In such a case, the individual could request that the information be sent to an alternate address. The Plan will honor such a request if it is reasonable, but reserves the right to reject a request that would impose too much of an administrative burden or financial risk on the Plan

- You may request access to certain medical records possessed by the Plan and you may inspect or copy those records. This right applies to all enrollment, claims processing, medical management and payment records maintained by the Plan and also to any other information possessed by the Plan that is used to make decisions about you or your health coverage. However, there are certain limited exceptions. Specifically, the Plan may deny access to psychotherapy notes and to information prepared in anticipation of litigation.

If you want to request access to any medical records, you should contact the Privacy Contact Office listed in this Notice. If you request copies of any records, the Plan may charge reasonable fees to cover the costs of providing those copies to you, including, for example, copying charges and the cost of postage if you request that copies be mailed to you. You will be informed of any fees that apply before you are charged.

- You may request that protected health information maintained by the Plan be amended. If you feel that certain information maintained by the Plan is inaccurate or incomplete, you may request that the information be amended. The Plan may reject your request if it finds that the information is accurate and complete. Also, if the information you are challenging was created by some other person or organization, the Plan ordinarily would not be responsible for amending that information unless you provide information to the Plan to establish that the originator of the information is not in a position to amend it. If you want to request that any medical record maintained by the Plan be amended, you should provide your request in writing to the Privacy Contact Office listed in this Notice. Your request should describe the records that you want to be changed, each change you are requesting and your reasons for believing that each requested change should be made.

The Plan normally will respond to a request for an amendment within 60 days after it receives your request. In certain cases, the Plan may take up to 30 additional days to respond to your request.

If the Plan denies your request, you will have the opportunity to prepare a statement to be included with your health records to explain why you believe that certain information is incomplete or inaccurate. If you do prepare such a statement, the Plan will provide that statement to any person who uses or receives the information that you challenged. The Plan may also prepare a response to your statement and that response will be placed with your records and provided to anyone who receives your statement. A copy will also be provided to you.

- You have the right to receive details about certain non-routine disclosures of health information made by the Plan. You may request an accounting of all disclosures or health information, with certain exceptions. This accounting would not include disclosures that are made for Treatment, Payment and other health plan operations, disclosures made pursuant to an individual authorization from you, disclosures made to you and certain other types of disclosures. Also, your request will not apply to any disclosures made more than six years before the date your request is properly submitted to the Plan. You may receive an accounting of disclosures once every 12 months at no charge. The Plan may charge a reasonable fee for any additional requests during a 12 month period.
- You have the right to request and receive a paper copy of this Privacy Notice. If the Plan provides this Notice to you in an electronic form, you may request a paper copy and the Plan will provide one. You should contact the Privacy Contact Office identified at the end of this Notice if you want a paper copy.
- You have the right to be notified of a breach of unsecured PHI. If unsecured PHI is used or disclosed in a manner that is not permitted under applicable federal law, you will receive a notice about the breach of unsecured PHI, if such a notice is required by applicable law. Unsecured PHI is PHI that is either in paper form or is in an electronic form that is not considered secure.

### **Privacy Contact Office and Complaint Procedures**

After reading this Notice, if you have questions or complaints about the Plan's health information privacy policies or you believe your health information privacy rights have been violated, you should contact Office of Personnel, Benefits Division, Shaquisha Bishop, Anne Arundel County Government, 2660 Riva Road, Annapolis, MD 21401, **(410) 222-7400**.

In addition to your right to file a complaint with the Plan, you may file a complaint with the U.S. Department of Health & Human Services. (Details are available on the Internet at <http://www.hhs.gov/ocr/privacy>) You will never be retaliated against in any way as a result of any complaint that you file.

## **Important Notice from Anne Arundel County Government About Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Anne Arundel County Government and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Anne Arundel County Government has determined that the prescription drug coverage offered by the Anne Arundel County Government is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Anne Arundel County Government coverage will be affected. If you elect Part D coverage, coverage under Anne Arundel County Government's plan will end for you and all covered dependents.

If you do decide to join a Medicare drug plan and drop your current Anne Arundel County Government coverage, be aware that you and your dependents will be able to get this coverage back at the next open enrollment period.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with Anne Arundel County Government and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **For More Information About This Notice Or Your Current Prescription Drug Coverage:**

Contact the office listed on the next page for further information.

*NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through AACG changes. You also may request a copy of this notice at any time.*

### For More Information About Your Options Under Medicare Prescription Drug Coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

### For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for help
- Call **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at **1-800-772-1213 (TTY 1-800-325-0778)**.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022. Contact your State for more information on eligibility –**

### **Paperwork Reduction Act Statement**

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email [ebbsa.opr@dol.gov](mailto:ebbsa.opr@dol.gov) and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2023)
