A Universe of Stories

On July 20, 1969, Neil Armstrong and Buzz Aldrin became the first people to walk on the moon. The whole world watched as these two made "one small step for man, one giant leap for mankind." The lunar landing helped us believe that anything is possible!

We mark the fiftieth anniversary of this moment of greatness as part of our Summer @ Your Library program. The annual event promotes reading for the entire family through special challenges, performances, activities and prizes. Reading can truly take you places you’ve never imagined — like the moon!

Take the first step to completing your mission by registering for the program using our online portal Beanstack, at aacpl.beanstack.org. You will automatically be entered to win great prizes as you blast off to new worlds through reading. Thank you to the Library Foundation and all of our sponsors for their support. I invite you to visit www.aacpl.net/summer for all the details on this galactically fun and educational program for the whole family. Join us under the stars at your local library today!

1,000 Books Before Kindergarten
Reading aloud to children from birth helps strengthen language skills and build vocabulary — two important tools for learning to read.

2109 Reading Challenge
A yearlong challenge — read a book on the monthly theme and keep track of your progress to be entered in a monthly raffle for prizes.

A Universe of Stories
Summer Reading Challenge
This challenge is for all ages, but is specifically designed to help prevent the "summer slide" and give students an edge up in the fall.

Every Child Ready to Read

Anne Arundel County Public Library is committed to providing parents and caregivers with the tools to help their young children get ready to read. Through the nationally-renowned Every Child Ready to Read initiative, libraries can have an even greater impact on early literacy through an approach that focuses on educating parents and caregivers. The program advocates parents and caregivers talk, write, read, play and sing with their child. Every Child Ready to Read programs are provided at every branch location weekly for ages birth through five.

**For the Love of the Library 2019 Raises over $88,000!**

The library foundation’s 6th annual For the Love of the Library fundraiser was its most successful ever. The event raised $88,178, a 36% increase over 2018’s total. More than 260 guests gathered at the Eastport-Annapolis Neck Library on April 12 for the two-hour gathering which featured a wine and beer bar, auction, paddle raise and the premier of a video about the library and the foundation especially created for the event. You’ll find many photos of the event on the following pages.

Guests enjoyed light fare from Ken’s Creative Kitchen and were welcomed to the event by Anne Arundel County Executive Steuart Pittman who described the importance of the library and the need for strong public and private funding. He thanked the volunteers who worked to make the event a success: events chair Karen W. Smith and committee members: Nancy Almgren, Pam Buckenmaier, Jane Campbell-Chambliss, Linda Dodge, Gretchen Dolan, Debe Duncan-White, Anna Greenberg, Nancy Nolan, Marc Rodriguez, Florence Smoot, Amy Steindler and Trish Stout.

Anne Arundel County attorney Sue Ford, of Counsel, Baradel, Kosmerl, and Nolan, served as auctioneer and conducted the paddle raise, which together raised $29,350 that evening. Twenty-two sponsors added $41,000 toward the total and ticket sales added an additional $11,000. Other donations made up the balance.

Guests were reminded For the Love of the Library 2020 will be held in the new Annapolis library set to open in the spring of next year.
